BREEDING NURSERIES & STUD FARMS APPLICATION FOR FEED DELIVERY ASSISTANCE

Harness Racing NSW **from July 1 2019** is assisting NSW stakeholders who meet the following criteria to provide feed for their Standardbred horses located on breeding nurseries and stud farms in NSW.

Breeding Nursery/Stud Farm:

- 1 - A NSW property in a designated drought affected zone on which artificial or natural insemination of Standardbred mares is carried out under HRNSW licence or by a veterinarian.
- 2 - A minimum 10 mares are located permanently or throughout the breeding season. The 2019 breeding season being from July 1 through to December 31 - 2019.
- 3 - The freight subsidy will only be applied to feed sourced for broodmares and horses under the age of 2 years (set at 1st September 2020) these being foals, weanlings and yearlings. It is further required that all applications are to be received within one month of the date of the delivery invoice to be accepted for processing.

Government Assistance:

- 4 - If the breeding nursery or stud farm received/receives 2018 Drought Assistance from the Federal or NSW Government or others (charities) the value of the HRNSW assistance will be reduced equal to this amount.

Example:

HRNSW provides \$10,000 in assistance but the breeding nursery of stud receives \$6,000 from Government or others the assistance provided by HRNSW will be reduced by \$6,000 to \$4,000.

HRNSW will assist with the cost of delivery associated with feed products. The delivery costs will be paid by HRNSW upon presentation of verified delivery details and invoice. Payments will be transferred fortnightly in line with the stakes payments.

HRNSW requires this application form to be completed accurately and returned to HRNSW with copies of an invoice detailing the delivery expense.

If you would like to apply for HRNSW to reimburse costs associated with delivery of feed products please complete the following details and return to: assistance@hrnsw.com.au
