Where the Training Partnership is GST Registered, the following agreement is given:

- the **Recipient** may issue Tax Invoices in respect of the specified supplies;
- the **Supplier** will not issue Tax Invoices in respect to those supplies;
- the **Supplier** acknowledges that it is registered when it enters into the agreement and that it will notify the **Recipient** if it ceases to be registered;
- the **Recipient** acknowledges that it is registered when it enters into the agreement and that it will notify the **Supplier** if it ceases to be registered.

To avoid **Withholding Tax** (46.5%) being deducted from your prizemoney ensure that you have properly declared your status as either GST Registered or Hobbyist.

NOTES ON TRAINING PARTNERSHIPS

CONDITION A – PERMISSION TO TRAIN IN PARTNERSHIP

If any of the Trainers within the Training Partnership do not currently have a licence to train as a professional, a separate application for a licence will have to be made. This may be submitted at the same time as the application to train in partnership.

The business of the Training Partnership **must** be registered for WorkCover insurance.

When two or three persons are training in partnership under the Rules of Harness Racing there is to be an association between them whereby they take equal responsibility for the training of horses under the Rules.

The term “partnership” does not describe the business relationship between those two or three persons.

The two or three persons must train horses on behalf of a business entity (the Supplier) set up for the purpose.

The business entity must be either a company or a partnership and must have an ABN.

For those who register for GST, under the new Stakes Payment System, the racing industry provides Recipient Created Tax Invoices to Trainers.

This approach eliminates the need for trainers to provide a properly configured Tax Invoice to a Club on any occasion they race.

If you do register for GST, any Stakes Payment to you will include a GST component.

All Stakes Payment earned by the Training Partnership will be made to the nominated bank account (see Page 1).

CONDITION B – TERMS AND CONDITIONS OF LICENCE, PERMIT OR APPROVAL

- 1) “Partner 1”, “Partner 2” and “Partner 3” as detailed in Section A (“the Applicants”) acknowledge and agree to be subject to and bound by:
 - a) the Rules of Harness Racing NSW as amended or varied by Harness Racing NSW from time to time; and
 - b) such rules or directions as may from time to time be formed, made or given by the Board of Harness Racing NSW (“Board”) or the Stewards of Harness Racing NSW (“Stewards”).
- 2) This licence, permit or approval shall be governed by the laws of Harness Racing NSW and the parties agree to submit to the jurisdiction of the courts operating in the State of NSW.

CONDITION C – PRIVACY AND COLLECTION STATEMENT

Harness Racing NSW is the body responsible for and carrying out the functions of:

- determining and issuing occupational licences authorising persons to participate in the NSW harness racing industry (“Licenced Persons”) and
- supervising Licenced Persons.

In the course of performing its functions, Harness Racing NSW will seek personal and financial information about each of you from you and others for the purposes of:

- making determinations in relation to your partnership application, renewal or continuance; and
- meeting its supervisory responsibilities in relation to you as a Licenced Person; and
- promoting or protecting the integrity or reputation of the harness racing code.

Harness Racing NSW may disclose your personal and financial information to enforcement bodies, State Government licencing authorities, other racing control bodies in the States and Territories of Australia and to other persons for any of the purposes described above. Harness Racing NSW may also obtain information about you from such authorities, bodies or persons.

Should you decline to provide personal and financial information to Harness Racing NSW when requested by Harness Racing NSW as part of its licencing and supervisory activities, Harness Racing NSW may refuse to grant or renew such a licence or may revoke or suspend your licence.

CONDITION E - REQUIREMENT FOR LEGAL ADVICE

Prior to being granted permission to train in partnership, all training partners are required to receive legal advice as to the effect of the provisions of AHRR 90A (2.8), particularly in regard to punishment under the Policy of Harness Racing NSW (a copy of AHRR 90A (2.8) in addition to HRNSW Policy 644 are provided for on Page 5 of this application document).

In general, the following points should be noted:

- each trainer in the partnership is equally responsible under the Rule for a training of all race horses trained in the partnership;
- where a breach of the Rules has been committed by one trainer and not the other trainer/s (for example: negligent administration by one trainer of a prohibited substance) each trainer is automatically deemed responsible and may be punished as though they had all committed the breach;
- where a breach of the Rules has occurred interstate, then each trainer is automatically deemed responsible for the purposes of adoption of the penalty in NSW;
- the only circumstances when all trainers are not automatically responsible for a breach of the Rules is where the breach of the Rules doesn't relate to training (for instance: misconduct involving assault) or where the breach involves a dishonest, corrupt, fraudulent, improper or dishonourable action or practice.

The above points are general, plain-English statements about the effect of AHRR 90A (2.8) and are not intended to replace your own legal advice.

Your application will not be considered where the Declarations set out below have not been signed by each partner as well as their legal adviser/s.

DECLARATION OF TRAINERS

HRNSW Policy Number 644 states:

In addition to AHRR 90A (2.8) the following shall apply to a Training Partnership:

- (1) HRNSW may licence up to three (3) persons to train as a Training Partnership;
- (2) A person who is licenced to train as a member of a Training Partnership in NSW shall not train as an individual or in another partnership in Australia or elsewhere;
- (3) A trainer must inform the Stewards in writing prior to withdrawing from or dissolving a Training Partnership. Upon receipt of such advice, the Stewards may order that horses trained by the partnership shall not race or officially trial until they are satisfied that such horses are being trained in accordance with the Rules;
- (4) Permission may be granted for a Training Partnership provided that:
 - (a) At least one (1) member of the partnership is the holder of an A Grade Trainers licence;
 - (b) That all other members of the partnership themselves qualify to hold at least a trainer licence no matter what grade.
- (5) An application for permission to train in a partnership shall be made by submitting the required application form completed in full, providing such information as required by HRNSW and be accompanied by the prescribed fee;
- (6) It is a precondition to the grant of permission to train in a partnership that:
 - (a) Neither applicant holds a trainers licence to train in another jurisdiction other than a licence to train in partnership;
 - (b) The Stewards are satisfied as to the bona fides of the Training Partnership.
- (7) HRNSW may in its absolute discretion relieve applicants for permission to train in partnership from the preconditions set out in the Rule;
- (8) HRNSW may refuse permission to train in partnership or grant permission subject to the terms and such conditions as it thinks fit, including but not limited to restrictions regarding duration, locality or both;
- (9) HRNSW may at any time in its absolute discretion:
 - (a) Revoke permission to train in partnership, including without limitation where any of the applicants cease to meet the requirements to be granted permission in accordance with the Rules, or where any of the training partners have been suspended or disqualified, or
 - (b) Vary or amend any of the terms or conditions of any permission to train in partnership.
