

## HARNESSEWEB PROCESS

10 MARCH 2025

Following previous notification to the NSW Harness Racing Industry in relation to functions that can be completed online through HarnessWeb, HRNSW advises that from 1 April 2025 the following functions **must be completed through HarnessWeb**:

- Foal Notifications;
- Naming Applications;
- Transfers of Ownership;
- Licence Renewals.

The functionality through HarnessWeb has been introduced by various State Controlling Bodies as a means of streamlining these processes with the aim of significantly reducing the volume of paperwork and manual processing traditionally associated with these processes.

For Licensed Persons or Owners who do not currently have a HarnessWeb account, it is easy to apply for and account approvals are generally done on a next business day basis:

1. Click on the link to the right >>> [HarnessWeb Logon Screen](#);
2. Click on the ***Don't have an account?*** link;
3. Follow the screen prompts.

HRNSW recognises that not all participants will have the technology available to utilise the online HarnessWeb processes and assistance will continue to be provided in those extenuating circumstances.
